SOFTENG 2021

Forward

The Seventh International Conference on Advances and Trends in Software Engineering (SOFTENG 2021) continued a series of events focusing on the challenging aspects for software development and deployment, across the whole life-cycle.

Software engineering exhibits challenging dimensions in the light of new applications, devices and services. Mobility, user-centric development, smart-devices, e-services, ambient environments, e-health and wearable/implantable devices pose specific challenges for specifying software requirements and developing reliable and safe software. Specific software interfaces, agile organization and software dependability require particular approaches for software security, maintainability, and sustainability.

We take here the opportunity to warmly thank all the members of the SOFTENG 2021 technical program committee, as well as all the reviewers. The creation of such a high quality conference program would not have been possible without their involvement. We also kindly thank all the authors who dedicated much of their time and effort to contribute to SOFTENG 2021. We truly believe that, thanks to all these efforts, the final conference program consisted of top quality contributions. We also thank the members of the SOFTENG 2021 organizing committee for their help in handling the logistics of this event.

SOFTENG 2021 Chairs

SOFTENG 2021 Steering Committee
Paolo Maresca, VERISIGN, Switzerland

SOFTENG 2021 Advisory Committee
Mira Kajko-Mattsson, Royal Institute of Technology, Sweden
Yoshihisa Udagawa, Tokyo Polytechnic University, Japan
Ulrike Hammerschall, University of Applied Sciences Munich, Germany

SOFTENG 2021 Industry/Research Advisory Committee
Philipp Helle, Airbus Group Innovations - Hamburg, Germany
Tomas Schweigert, SQS Software Quality Systems AG, Germany
Michael Perscheid, Innovation Center Network, SAP, Germany
Doo-Hwan Bae, Software Process Improvement Center - KAIST, South Korea

SOFTENG 2021 Publicity Chairs
Lorena Parra, Universitat Politecnica de Valencia, Spain
Jose Luis García, Universitat Politecnica de Valencia, Spain
