

ICIMP 2026

Forward

The Twenty-First International Conference on Internet Monitoring and Protection (ICIMP 2026), held between April 19, 2026, and April 23, 2026, in Lisbon, Portugal, continued a series of special events targeting security, performance, vulnerabilities in Internet, as well as disaster prevention and recovery.

We take here the opportunity to warmly thank all the members of the ICIMP 2026 technical program committee, as well as all the reviewers. The creation of such a high-quality conference program would not have been possible without their involvement. We also kindly thank the authors who dedicated time and effort to contribute to ICIMP 2026. We truly believe that, thanks to all these efforts, the final conference program consisted of top-quality contributions. We also thank the members of the ICIMP 2026 organizing committee for their help in handling the logistics of this event.

We hope that ICIMP 2026 was a successful international forum for the exchange of ideas and results between academia and industry for the promotion of progress in the field of Internet monitoring and protection.

ICIMP 2026 Chairs

ICIMP 2026 Publicity Chairs

Francisco Javier Díaz Blasco, Universitat Politècnica de València, Spain

Ali Ahmad, Universitat Politècnica de València, Spain

Sandra Viciano Tudela, Universitat Politècnica de València, Spain

José Miguel Jiménez, Universitat Politècnica de València, Spain
